The ISSE cultural exchange program aims at sharing cultures between schools around the world. Peru has a very unique culture and our partnership in 2013 promises to be an amazing experience for the communities of both our schools.

Davy College will send a delegation of up to 10 students to visit our school. The students will stay with host families for a period of 3 weeks and be part of normal family life during that time. They will attend school with their host buddies and we will also organise special activities and excursions. Mount View will send a return delegation of up to 10 students to Peru in September 2013. Exact dates are yet to be confirmed.

If you are interested in our cultural exchange program please come along to the ISSE information evening, which will be aimed at our current Year 4 and Year 5 students.
