Fees - an explanation

You may have noted a volunteer payment of $15 on your fees notice that relates to Parents’ Association. If you have paid this we thank you, it provides us with funds to start the year off, investing in further fundraising and most importantly friend raising! If you have not paid this or would simply like to add a little more, this can be done at any time throughout the year at the School Office. 100% of all funds raised by the Parents’ Association flows back to our school.

Movie Night

A huge congratulations to the Movie Night team, with a very successful night of between 1,800 to 2,000 people and a profit raised of over $2,500. We had superb weather, fantastic vendors and a great movie. So much fantastic feedback and we appreciate the great spirit with which our families attended, it has certainly given us the confidence to book ahead for our next Movie Night in 2016!
