Girls District Soccer

Mount View Gold Team

On Friday the 20th of July, a number of girls participated in the Girls District Soccer which was held at Larpent Reserve. Each team had to play 3 games. If they won a game, they scored 3 points. If they drew a game, they scored 2 points. If they lost a game they would receive 1 point. At the end of the 3 games, your scores were totalled, including the number of goals you received for each match. If a team won all 3 games, they competed in the finals. The Mount View Gold Team won 2 out of the 3 games, then played 2 other games (for fun) and won both.

Overall, The Mount View Gold Team played exceptionally well and enjoyed playing every second of every match. As a team we would like to acknowledge Mrs Diedrich. We wouldn't have been able to play without her. We would also like to acknowledge Stephen Tonios, Thomas Ricci and Lachlan Li, for not only umpiring our matches, but for also coaching us. Mount View Blue Team

On the 20th of July 2012 girls from grades 5 & 6 were involved in the District Soccer Round Robin at Larpent Reserve. Steven, Lachie and Thomas, three of the boys from Mount View, coached the girls so they were ready for this event and umpired the matches on the day. It was very wet and muddy on the day, so it was hard to play but everyone tried their best. Everyone involved had lots of fun.

The Mount View blue team unfortunately had 4 losses and 1 draw. As I mentioned before it was a wet and muddy day, which means it was harder to play. Mount View tried their best and started improving towards the end of the day. Everyone participated and had heaps of fun. The Mount View blue team would also like to thank Mrs Diedrich for taking the time and effort to come to this event and organise it.  By Asal Loni 5SS
